EXCEED YOUR
EXPECTATIONS

PAC INTERNATIONAL IS YOUR ONE-STOP SOLUTION FOR QUALITY ROTORCRAFT SERVICES.

Beginning in 1976, PAC earned a global reputation as a provider of high quality rotorcraft service solutions. With multi-mission completion experience and over four decades of world-class service, PAC is equipped to exceed the quality our customers have come to expect.

AIRFRAMES

Bell . Airbus . Leonardo . MD . Sikorsky

PAC is a Bell Customer Service Facility.

As a Bell Customer Service Facility, PAC is part of a select group of facilities across the globe authorized to perform maintenance, repair and overhaul on Bell aircraft and component parts. PAC also offers completions and refurbishments for Airbus, Leonardo, MD and Sikorsky aircraft. Each completion is treated uniquely to ensure that our customers receive an aircraft that meets their exact mission specifications and exceeds their expectations.

PAC is equipped with two paint booths and a soft media paint removal system, allowing for increased efficiency and quality of basic preparation, and enhanced corrosion removal from an airframe.

PAC HAS DELIVERED OVER 1,600 HELICOPTER CUSTOMIZATIONS AND COMPLETIONS TO MORE THAN 50 COUNTRIES
